## Good Friday

### Call to Worship\*

On this Good Friday and every day:

When I am lost and lonely, Jesus, remember me.

When worry threatens to crush my spirits, Jesus, remember me.

When my words wound the people I love, Jesus, remember me.

When I treat others with contempt and disdain, Jesus, remember me.

As I try to live in God's kingdom here on earth, Jesus, remember me.

## Personal Reflection

### Prayer of Confession\*

Ever loving God, our faith now stands upon a knife's edge. We long to stand up for what we believe, but it is easier to wash our hands of responsibility and to blame others for our inaction. We yearn to take a principled and courageous stand, but it is easier to defer to the judgments of others and simply go along with the crowd. We dream of following Jesus to the end, but it is easier to slip into the darkness and betray the spirit striving within us. Forgive us, O God, and help us find our courage in the midst of the darkness that now surrounds us. Amen.
