## *Holy Week Edition*

Create a space where you can relax, and breathe and enjoy EveryDay Worship.

## **Monday**

### **Call to Worship**

The sun rises on a different kind of Monday,  
the Monday after the parade and the palms.

Another Monday of uncertainty.

But the sun did rise, and the birds are singing, and it is spring,  
God will lead us through this week as in week's past.

On this different kind of Monday we worship our God who loves us and leads us.

### **Personal Reflection**

#### **Prayer**

Loving God, we know you have been with us and are with us still. During this homebound week and weeks, to come help us as we journey to the cross. We give thanks for your presence and we pray for your guidance. Show us how we can do your work in the world. Give us the courage to show kindness and care when and where we can. \*During this very different Holy Week help our minds be open, our hands be strong, our hearts be gentle, and our spirits sing. Amen.

#### **Benediction\*\***

On this Monday after the parade, we remember that:  
on the back of a donkey, Jesus came to bless us.

With a love that did not count the cost, Jesus came to heal us.

From hopelessness and despair, Jesus came to free us.

With the power of the Holy Spirit, Jesus came to save us. Amen.
