Personal Reflection

Prayer

Wondrous God, thank you for being with me even when I fail to feel your presence in my life or in the world around me. That seems to happen so much these days. I get caught up in the stories, the politics in the midst of a health crisis, the weariness of being inside every day, and the need to wear a mask if I leave. Help me cut through all the distractions and irritations so that I can hear your voice and feel your touch and sense your presence with me. Amen.

Benediction*

Christ is alive and among us.

Christ will be with us along this road of uncertainty.

May we find ways to serve in Christ's name.

May the love of Christ find expression in us. Amen.
