Prayer*

God of love, God of healing, we cry out in our sickness for healing and hope. We cry out in our confusion for guidance and strength. We look for your peace, even in our troubled world. We want to feel your grace in our lives even in our sinful moments. We need you more than ever even as you need as to bring God's love into the world. Bring healing; bring peace; bring grace; bring strength, that we may serve and love your world as you have served and loved us, faithfully and generously. Amen.

Benediction*

We do not know when we will go, or where we will go. The journey might take us somewhere we did not expect, to do something we are not sure we can do. Go – anyway. Follow Christ. Share Christ's presence. Amen.
