Call to Worship*

Our God is a God of power and strength!
God has created each of us with tender care.
Our God is a God of majesty and awe!
God walks with each of us every step of the way.
Our God is a God of glory and wonder!
God loves each of us with tenderness and passion.
Our God calls us each by name.
God calls each of us to worship!

Personal Reflection

Prayer

Creator God, I've had enough! I listen to the news and I'm fully aware that life is worn down, war does not cease, pain comes, people weep, suffering continues – I need it to stop! So many days have started with this lament, but today, I rejoice when I remember that this is not the end. There is joy in this day, acts of compassion everywhere, if I choose to see. Thank you for your constant reminders that we are not alone. In every age people have known struggle and joy. Give me wisdom, and courage and the discipline required to live a life that testifies to your truth. Help me comfort those who need comforted because someone comforted me. Grant me grace, mercy and peace. Amen.

Benediction

I will face this day with a seed of faith, and a spirit of courage.

I will guard those good treasures that God has given me. Amen.
