Call to Worship*

At the start of a hectic week we have come to worship God.
Our lives are pulled in so many directions, we seek God's guidance.
We can let go of the burdens that weigh us down. God will take them.
We thank God for the rest we are given.
We will tune our hearts and voices in praise to God.
Let our voices bear the joy we feel because of God's love for us. AMEN.

Personal Reflection

Prayer

I long to come closer to you, O God. To once again sense the wonders of your creation and the marvels of human existence. I long to shake off clouds of dullness, insecurity and dissatisfaction. I'm not sure when I became weighed down by all of that, but it happened, and now, I want to be free. I want to feel your healing energy stirring within me, opening my eyes to new possibilities, restoring my faltering faith. Help me receive your ever-present love, to integrate that love fully into my life and then to pass it on to others. Help me sing a new song to you, O God. Amen.

Benediction

I will sing a new song to the God of creation.
I will live today with renewed faith.
I will serve today awakened by the loving, healing, power of God. Amen.
