### Personal Reflection

#### \*Prayer

You alone are our God, our hope and help, but we do not always find it easy to love you with all our being. Our hearts, our minds, our strength do not always seek what is worthy of our trust and hope. Nor do we always find it easy to love our neighbor as we love ourselves. When we find ourselves far from you, draw us near. Bring us home to you, the One whose name is Love. Amen.

#### Benediction

I will live this day as one who loves God with my whole being.  
I will live near the heart of God. Amen.
