Call to Worship

In your wisdom, O God, you call me to worship you today.

Help me come alive as I listen to your word.

Help me trust you.

May the Spirit stir me into action - to serve you, to share your love, to respond with heart, soul, strength, and mind.

I come ready to worship!

Personal Reflection

Prayer

Forgiving, loving God, I'm asking for help today. I don't feel worthy of your forgiveness or your love, yet I know that it is always there for me. The problem is that sometimes I don't see it, or reach out for it because I'm too busy trying to find solutions on my own. I want to be in control. I want to lean on my own understanding. I want to be able to say "I did it!" ...I solved the problem, I completed my task list, I survived....

It's a heavy burden to carry, and I simply can't carry it any longer and so today I hand these burdens to you, God. You know what to do. You know every area of my life, so help me listen and trust in you. Help me let the Spirit work in me. Forgive me for not trusting you sooner. Direct my ways as I go through this day and in the ever changing days to come. Amen.

Benediction

I will live today trusting in the Spirit of God.

Ready to listen, ready to serve, ready to love. Amen.
