

As UMW President of First United Methodist Church Lawrence, I wanted to inform the congregation that last year was the final year for the United Methodist Women's Annual Rummage Sale. We are very proud of the past 27 years that we have successfully held this sale. This has enabled us to contribute monies to support local and non-local charities. We have provided a valuable service to the community by providing good usable items at a reasonable price as well as supporting the many different mission and ministry areas of our church.

A special thank you goes to Kathy Pribbenow who has provided her leadership skills in coordinating the sale for numerous years.

As members of the congregation, we should thank the many people of UMW who have given of their time, talents, service, and money to make this sale what it has been over the past 27 years.
