### Personal Reflection

#### Prayer

Holy God, I do sing praise to you and give thanks to you...not all the time, to be sure, not even when I need to the most. I'm easily distracted. I'm becoming more frightened and judgmental, more uncertain of who I am, what I stand for, even what I believe. I'm listening to too many voices, and not always the voices of knowledge, expertise, experience or reason; not always the voices that offer your love, and strength, and wisdom. Help me not be swayed by the loudest voices. Help me not grab on to the quickest fix, the easiest way to ease my pain and doubt. Help me be quiet and seek quiet long enough to hear your voice...your voice, the only voice, that can truly calm me, and lead me, and provide strength and sustenance for this journey. Help me hear you and then sing joyfully!! Amen.

#### Benediction\*

God has put a new song in my heart.

I go to sing a new song to the Lord.

God has put a song of justice and peace in my soul.

I go to bring a new song to the world.

God has put a song of joy in my very being.

I go to live a new song with every step I take. Amen.
