Personal Reflection

Prayer

Thank you for your presence, God. When I take a breath and slow down a bit, I can feel it. It has been a long, week and the load has seemed especially heavy. Friends and family have health issues and financial struggles. The things I have counted on for such a long time are gone, or changed – work is different, favorite restaurants are closing, people are dying..... so many people are dying.... I feel weak, and helpless. God, help me to release the heavy load to you. Help me remember that when life seems so uncertain, you are always faithful, your love for me never ends. When I feel weak and overcome, you can use my weakness, my failings to create something new, and wonderful. You are a God of infinite possibilities. Take me as I am Lord, use me as you can. Amen.

Benediction*

God blesses us with strength for the journey.

Christ lifts us up from the great difficulties of life.

The Spirit guides us with dreams full of hope and promise.

Our lives rest secure in the One who is faithful.

Thanks be to God!
