Tuesday

Call to Worship*

Advent is a time of waiting,
A time to open our hearts to God's presence,
A time to pay attention to God's call on our lives.
God's love breaks in over and over again.
Help us be awake, for God is in our midst!

Personal Reflection

Prayer of Confession

Patient God, you call us to wait, to watch, to be ready, but we are so easily distracted. There is so much going on, so many things calling out for our attention, so many voices telling us where to shop, what electronic device we need, what get-a-way we can take safely, what mask is safe and fashionable.... It all gets to be too much and so we shut down, and shut out....we even shut you out. Come to us, faithful God. Give us wisdom and help us prepare for your coming. Forgive our foolishness and impatience. We are waiting, O God. We are waiting to hear your word. Waiting to sense your presence. Open our hearts so that we can be renewed by your grace and transformed by your love. Amen.

Benediction

Let us live this day with joy because today, in the darkness, a candle of hope burns brightly.
Let us prepare our hearts – God is near.
