Personal Reflection

Prayer*

Patient Lord, we find it easy to blame others and other circumstances for the things which happen in our lives. We hear the words "if only" and wonder why things didn't happen differently for us. Too often we want you to be a "magic" presence which will, with the wave of a wand, cure our ills, give us success and happiness; but we don't necessarily want to take responsibility for our attitudes and actions. Life is. Things happen which we didn't plan for and events swirl around us over which we have no control. But to place blame and not to find ways in which we can work through the situations is detrimental to everyone, especially ourselves. Forgive us when we are so busy placing blame that we don't recognize your presence and love for us. Free us from placing our own desires first and foremost. Help us to look at the many ways in which you are working in the world for peace and justice, and enable us to be part of that ministry. AMEN.

Benediction*

Go in peace and may God's peace go with you. Bring hope and healing to all whom you meet. Amen.
