### Call to Worship\*

The God who speaks comfort to us calls us today and every day.  
The God who addresses us with tenderness meets us today and every day.  
The God who guides us with gentleness cares for us today and every day.  
We continue on our journey.  
We come to ready ourselves for the transformation of our lives.

### Personal Reflection

#### Prayer\*\*

Lord of life, we come to you consumed by our worry and our pain. When we blame you for not being there in our need, forgive us. When we turn away from you in moments of loss, guide us back to your faithful arms. For we long to put our faith in your promised healing. We yearn to truly believe that in you we can put all our hope, that you are our foundation for living. Teach us once more, Merciful One that you weep when we weep and rejoice as we find our way home. Amen.

#### Benediction\*\*

Go with the blessings of the one who forgives our failings, and heals our hearts.  
Go with God's blessings.  
Go with God.
