## *Holy Week Edition*

Create a space where you can relax, and breathe and enjoy EveryDay Worship.

### Wednesday

#### Call to Worship

I will make a place for God in my heart.

I will make a place for God in the desert of my emotions.

I will make a place for God in the dark hours that engulf my days.

I will make a place for God in the moments of light and joy that find me.

On this Wednesday of Holy Week I will worship God with praise and thanksgiving.

#### Personal Reflection

#### Prayer

Lord Jesus, it was on this day that Judas Iscariot conspired to betray you. That frightens me, because I know that Judas did not start out intending to betray you. I do not start out intending to betray you either. Help me be truthful when I say that I love you, and help me live every day in that truth. I know you will provide what I need, but yet I am so tempted to think only about myself, my needs, my desires, my family, my friends. This day frightens me because, like Judas, I am so afraid that when I'm tired and things seem impossible, when the days are dark, when the future seems bleak, I, too, will betray you. Help me make a place for you in my life this day and every day, guided by your light and your love. Amen.

#### Benediction

Go with the blessings of the one who forgives all our failings.

Go with the blessings of the one who heals our hearts.

Go with God's blessings.
