Personal Reflection

Prayer*

Jesus, Risen Lord, we ask for your forgiveness for all the times when we do things we know we should not do. We ask forgiveness for the times when we fail to act, even when knowing that taking action is the proper course. We want to listen to your voice, but prefer listen to our own voice. We want to help others, but find ways to be stingy with our time and our resources instead. Help us hear your voice and follow in your ways. Amen.

Benediction*

Empower us Gentle Shepherd to be your disciples and to love and serve our neighbor. Amen.
