Create a space where you can relax, and breathe and enjoy EveryDay Worship.

## Wednesday

### Call to Worship

Another rainy, dreary day filled with uncertainty and sometimes despair.

Is the Risen Christ really in our midst?

Teach us how to discover Christ's presence even when we are struggling.

Give us patience to adjust our perspective and see the Risen Christ in the midst of another day.

Worship the Risen Christ and anticipate his surprising presence!

### Personal Reflection

#### Prayer\*

Holy God, we give thanks that you often reveal yourself to be different from our expectations. When we long for the love we have known in the past, our eyes are dimmed to the beauty you reveal to us now. As your first followers struggled to see how a suffering savior could be the messiah, we strain to recognize you still today. Come, Spirit, make yourself known to us in our struggles, and doubts. Make yourself known to us in moments of joy. Especially, make yourself known to us in the grace and love that we offer to one another. Amen.

#### Benediction\*

Christ is alive and has met us here. Now let us meet God's Spirit among friends, strangers, and in all of creation. God's love lives today and forever. Amen.
