Call to Worship*

Great Shepherd, feed me today.
Feed me with joy when I despair.
Feed me humility when I lose myself in pride.
Feed me peace when I am overwhelmed with chaos.
Feed me hope when I am lost.
Feed me justice when I stray.
Great Shepherd, feed me today.

Personal Reflection

Prayer

Great Shepherd, I used to feel fed by my work, going out with friends, having them into my home, going to church and being in that beautiful sanctuary. It's hard to feel fed right now. Help me be aware of your presence now. Help me see the great feast that you spread before me – sunshine and flowers, blue sky and green buds. Thank you for feeding me in new ways.... when I say hello to a stranger as we pass 6 ft. apart on the walking trail, as I listen to worship recorded by church leaders and friends, as I choose which flowers to plant in my porch boxes, as I shop in grocery stores where there is still plenty, as I listen to birds in my backyard and delight in spotting an Indigo Bunting. You feed me in so many marvelous ways. Help me find ways to feed others. Amen.

Benediction

Now may the God of peace, who brought back from the dead our Lord Jesus, the great shepherd of the sheep, by the blood of the eternal covenant, make you complete in everything good so that you may do his will, working among us that which is pleasing in his sight, through Jesus Christ, to whom be the glory forever and ever. Amen.
