

Hello SASS friends,

The group is moving on to the fall, but with a little more caution than we did just a couple of months ago. The timing does not feel right for the Lunch Bunch to gather for lunch each month, and really, it does not feel like the time to meet at Johnny's West for dinner and Trivia Night, either. So, here is the short list of plans for September. Let's hope that in October the picture of how seniors can gather together looks brighter!

#### PICKLEBALL

We continue to play next month, with one important difference - all will be asked to have been vaccinated AND all must wear a mask while playing

Tuesdays and Thursdays

West Campus of FUMC church  
in the gym

1:30 to 3:15 (come help set up if you can, beginning at 1:20 p.m.)

This requires the ability to move in different directions while also hitting a whiffle-type ball with a paddle across a net.

Learners welcome.

All needed equipment is provided.

Wear tennis or other sport shoes.

Restrooms are accessible. Bring your own water bottle (drinking fountains are not turned on).

No reservations needed.

#### GAME DAY

This is the other activity we will continue in September; the usual date is the third Wednesday of the month.

Wednesday, September 15

Perkins restaurant (enclosed meeting room you access by checking at the hostess desk)

12:30 for lunch from the menu

1:30 for board or card games that those who attend bring with them

All of Perkins is accessible to everyone.

You choose where to sit in the meeting room, and whether to wear a mask while playing games.

Please reserve your spot by replying to Stan Hughes, via this email or by emailing

[kdevictor@gmail.com](mailto:kdevictor@gmail.com)

by September 13, at noon. Staff at Perkins are very happy to have us; they can arrange tables to fit our group but do request a count ahead of time, since it affects the number of servers needed.

We will review all guidelines regarding the wearing of masks, as the month progresses, and make changes as advised by Douglas County Health Department and Church staff.

Best wishes to all! Stay safe and healthy!

SASS team

Karen DeVictor, Jane Powell, Jan Fox, Judy Grant, Sue Sallee, Candice Ranney, and Stan Hughes
